Rochester Thanksgiving

THANKSGIVING SERVICE IN ROCHESTER

Indians and Pilgrims (portrayed by people of Rochester) practice the special Thanksgiving service to be held at the First Congregational Church, Rochester Center, Sunday, November 18, at 10:30 A.M. Real Indians in the persons of Chief Sunset and Princess Half Moon will, among other things, present the 23rd Psalm in Indian sign language. The public is invited. The unusual service was created by Pastor White, in cooperation with all departments of the church, and has grown in eight years from an estimated 35 persons to an average of 350 in attendance on that particular Sunday. Special music will be under the direction of Mrs. William Warburton, organist.

ANDERSON DOG COMPLAINTS

The Board of Selectmen has undertaken an investigation following the receipt of a number of written complaints about a dog owned by Jeffrey Anderson. Mrs. John Field wrote November 6 that her sheltie was attacked on June 18th in a vicious manner and was torn inside and outside. This same dog, she said, was attacked and pinned down by the Anderson dog on September 11 and

The Selectmen questioned the complainants under oath last Tuesday night. Mr. Anderson said that if his dog does get loose again and causes more trouble he will destroy the dog. Present at the hearing were Russell LaFrance, Laura S. Williamson, Wayne R. Viera, Mattapoisett Dog Officer; Carol Field, Penny Hiller, Jeffrey Anderson, William Field, Elizabeth Field and William Croft.

DOG LAW CHANGED

Stray dogs picked up by the dog officer now have to be confined only 5 days. Previously the law required that the dog be held for a 10-day period

BUS ROUTE DISCUSSED

Mr. George J. Hunter, vice president of the Bonanza Bus Lines, and Mr. Walter Ashworth of that firm met with Selectmen to discuss possible rerouting of Bonanza buses over I-195. The Board of Selectmen are concerned that Mattapoisett residents will lose one more means of mass transportation. The representatives of Bonanza said that they will study the schedule to see if at least one bus could continue to come through the town on Route 6 to pick up and discharge passengers here. They will confer again with Selectmen in the near future.

SIGNS BEING INSTALLED TO ENFORCE TRAFFIC LAW OF 1968

other at the same time because of parked cars. There are currently No Parking signs being erected in the center of town in accordance with the town's by-laws passed by Town Meeting and approved by the State of Massachusetts. We are now attempting to put these laws into effect. We realize that they will inconvenience some people but will benefit the majority. If the Fire Chief cannot get his equipment to a fire in the center of town there certainly would be a great hue and cry. If the street cannot be plowed properly who gets the blame? The Highway Surveyor of course. The Police Department is always being called upon to move some car that has been thoughtlessly parked where it should not be or parked in the street where a driveway is available. Most of us do not like rules and regulations but we do abide by them when they are for the good of the majority. When they are not the laws are changed so that they do. This Committee has worked on these problems and these are their strong recommendations. If they are not to be put into effect then why have a Traffic Survey Committee. These signs will go into effect

Mattapoisett Firefighters' Auxiliary will be held tonight, November 14, at 7:30 in the fire station, Come, members, and bring a friend to the Tupperware Party.

Busy Weekend for Fire Dept.

Mattapoisett Firemen responded to 3 alarms in the village over the weekend. Late Saturday night, a simultaneous alarm was answered which caused the fire department to split in 2 different directions. An oil burner backfire at the Mattapoisett Inn and the same problem at a new home under construction on Winter Hill Road received attention at the same time. There was no damage in either fire. On Sunday night, a garage fire on Church Street directly opposite the Congregational Church shot flames 20 feet through the roof. The garage, owned by Irene Huggins, had lumber stored in the eaves which burned stubbornly. A second shed also was burned. Firemen extinguished both, hampered by dense smoke and tightly packed lumber which had to be attacked from a hole in the roof.

The Club Affairs Department has engaged the Bartletts, who will appear in Pilgrim costume and lecture together. Recently he was chosen to serve as "Mr. Pilgrim" for Plymouth's 350th anniversary. His latest book, Pilgrim House by the Sea, is a novel based on how the Bartletts restored their old home.

Trip to Hawaii

TRIP TO HAWAII OUR 50th STATE

Fortunate indeed were the Senior Citizens of the area who joined all age groups from many states and were on the "Magic Carpet", the luxury 707 jet airliner.

Hawaii was and is paradise, two worlds, east and west, together with all its lore, traditions and customs. An invisible "magic wand" is waved over you and a spell is cast. You become enchanted and charmed, a completely new person the rest of your life. Even though your heart and loved ones are here on the mainland, strong powers are pulling and drawing you back to that wonderful place.

Mattapoisett, with serenity and beauty and wonderful people, is also a very special place. The supreme Seniors who God has given privilege to leave and return to Mattapoisett are surely well blessed.

Mrs. Gloria Rounds, Publicity

APPOINTED TO COUNCIL ON AGING

A great surprise awaited me upon my return from Hawaii! I had been nominated and voted into the Council on Aging and appointed by the Selectmen, all unbeknownst to me.

I sincerely thank everyone for the great faith placed in me, and I was deeply touched, as I had previously been a member and resigned. Our late "Bud" Haley who wrote me a beautiful letter regretting my action, hoped that I would become a member at a later date again.

Therefore I have taken oath of office, being duly sworn in by our Town Clerk, Lois Ennis, and will do my utmost to execute the duties and justify the faith placed in me.

Sincerely,
Mrs. Gloria Rounds

Aspden, Historical Secretary; Mrs. Gurney, Librarian.

The newly published cookbooks were distributed among the members, and it was reported that during the first ten days of existence over one third were sold, which prompts the members to urge those interested to order theirs without delay. There will not be another printing, and at this writing the books are already extremely limited.

The next meeting of the group will be the annual old-fashioned Pot Luck Supper - this year designated the "Thankful Supper" for obvious reasons, and will be held at the home of Mr. and Mrs. Frederick Underhill, Sr. Those wishing to attend who have not already spoken to Mrs. Underhill are asked to call her so that there will be seating arrangements for all and a fairly balanced menu. Anyone interested in any phase of the History of Rochester is always welcome, and will find many who share their interests. Meetings are on the last Wednesday of each month.

Bulldogs Defeated

D.R. DOWNS O.R. 20 to 14

Fumbles continued to hurt the Old Rochester Bulldogs as two set up two touchdowns and a bad punt another as the Falcons of Dighton-Rehoboth defeated the Bulldogs 20 to 14 Saturday morning at the Mattapoisett field.

Dighton-Rehoboth received the opening kick-off but unable to move were forced to punt. The Bulldogs took over on the Rochester 45 and on the first play from scrimmage Warren Mott exploded for 54 yards to the Dighton-Rehoboth 1. On the next play he plunged over for 6 points. The 2-point conversion try was no good.

Early in the second quarter Old Rochester got off a bad punt from their own 28. The

ball took a Dighton-Rehoboth bounce and ended up on the Rochester 9. The Bulldogs held for 3 downs, but on the 4th down, after the Falcons lined up for a fake field goal try, quarterback Michael Sanson hit Edward Simmons for 6 in the end zone. Mark Wolfendon kicked the extra point and Dighton-Rehoboth led 7 to 6.

In the third quarter the Falcons scored again after the Bulldogs fumbled and D-R recovered on the Rochester 24. They moved the ball to the 4 in 5 plays and a face mask penalty gave them the ball on the 2. Two plays later Sanson took it over for 6 and Wolfendon kicked the extra point and score was 14 to 6.

O.R. tied the game up in the fourth quarter on a 4th down pass from quarterback Joe Francoeur from the D.R. 47 to Ken Letendre in the end zone. Mott rushed for the 2-point conversion and the game was tied 14 all.

The Falcons were unable to move on the ensuing kick-off and had to punt. The Bulldogs took over on their own 45 but fumbled on the

Letter to the Editor

The first set of laws in America that said the majority should rule starts off: "IN THE NAME OF GOD, AMEN" - the Mayflower Compact signed in 1620.

Some of the words contained in that document would be well to remember today: "for the glory of God, and advancement of the Christian faith". It was signed by 41 men.

The first Winter 740 passengers of the Mayflower died - and those who survived, to show their gratitude for their blessings, held 3 days of THANKSGIVING to God - for their corn crop which was plentiful and assured them that, with care, nobody would go hungry during the Winter. It was the Indian Squanto who had taught them where to get fish, how to plant their crops and herbs, and where to hunt.

They were thankful for their friendship with Chief Massasoit so invited him to bring a few friends. He surprised them by arriving with 90 braves!

Most still lived on the Mayflower - but they were thankful that 7 houses were finished - single rooms with loft - fireplace for heat, light, and cooking - and furnished with one big chair for the man of the house - and a table of wooden boards across sawhorses which were placed against the wall at night so mattresses would be put on the floor. All had to work hard - even the children.

It is good for us to be reminded of all this - as so many of us seem to forget to thank God for all the multitude of comforts and blessings that even the most deprived of us have in this wonderful country today!

A Vote of ---?

Editorial, D.C.J.

Isn't it remarkable that a President, who, according to the text of the most concentrated attack on an individual in modern history, has so lost the confidence of the people that he is unable to function, can appear briefly on television with a message that will instantly inspire every responsible American to sacrifice some comfort for the cause of all. Millions of thermostats are lower to save oil.

This is the value of the Presidency. The Congress has gnawed on the same bone for more than 6 months and reached the conclusion that they don't have enough information to define the problem. The President can act alone and at once. The people will instantly follow a strong President who states the facts.

The grave danger for the United States now stems from the fact that the Communist bloc may believe the headlines and start new military probes to see just how much the country has been weakened by division.

If the proponents of impeachment have the evidence then they should produce it with speed so that the strength of the Presidency can be restored or replaced.

Senator George D. Aiken (R.-Vermont) said it best: "Impeach the President or get off his back". There are too many fair Americans who will not stand by and watch the President be hounded and harried by those who want to force his resignation because they haven't the evidence to impeach him. At the same time they delay the appointment of a vice president leaving this country in a dangerous leadership vacancy that serves no purpose but an apparent vendetta.

Parent Support Asked

PARENTS' MEETING AT OLD HAMMONDTOWN

Parents are asked to lend their support in starting a project that will provide some new dimensions for a learning disabilities program at Old Hammondtown School.

Dr. William Quinlan, our new Director of Special Needs Program, and I have requested Title I federal funds for some tutors who will be part of the Old Hammondtown School staff.

In order to develop our complete program, we need to establish a Parents Advisory Council which will provide support and guidance for the project.

We would like to meet with all interested parents on Thursday evening, November 15th, at 7:30 P.M. at Old Hammondtown School to discuss our proposed program. Your attendance at this meeting would be appreciated.

9th Grade Football: 5-0

The Old Rochester Regional Freshman Football team is enjoying one of the finest seasons in its history. Not long in numbers, but certainly loaded with talent, the eighteen members of the ninth grade football team have a very impressive five wins, no loss record so far this season.

The "Bullpups" opened their season with an impressive 60 to 0 win against the Apponoquet Freshmen. Their second game was played against the Bristol-Plymouth Regional Vocational Varsity Football team which they won 12 to 8. The third game of the season was played at Norton when they defeated their Freshman Team 34 to 8. The fourth game was played against the Wareham Freshman Team and once again they turned on their awesome power with a 49 to 0 win. Their last victory was a 38 to 0 win over the Bourne Freshman Team.

The Old Rochester Freshmen put together a very versatile offense along with a tough,

rent emphasis is to work for the elimination of institutional racism and all racial discrimination.

This year's theme, "Looking for Something", will be featured.

The theme represents each individual's search for the fullest, most significant meaning of life, the need to put one's own potential power for change into action to better the quality of life for women, girls, and their families wherever they are. Through the YWCA, each woman and girl can reach out and touch others who share similar concerns; each can make contact with her community. Today, what happens in any one part of the world carries tremendous impact elsewhere.

YWCA NEWS

"Puerto Rico" will be the subject of Miss Elizabeth F. Stickney, guest speaker for the New Bedford YWCA Travel Club on Friday, November 16, at 8:00 P.M. Prospective club members are invited to attend.

The account of her recent visit to the island will be illustrated with slides taken by the speaker. Miss Stickney is a retired social worker formerly with the Child and Family Service of New Bedford.

On Tuesdays and Thursdays women of all ages will be interested in participating in discussion of timely topics and current projects that are considered from 9:15 to 11:30 A.M. in the dining room. Coffee or juice is served. The next meeting will be held on Thursday, November 29.
